1

WHAT IS IT THAT YOU DO AT THE HOMESCHOOL AND CLASSICAL LEARNING CENTER?

We offer support to homeschool parents as well as learning and community building opportunities for homeschool students. We can help you get started homeschooling, create a transcript for your high school homeschool student, assist in tutoring, guide you through the College Credit Plus program and so much more.

2

I SEE THAT YOU OFFER WORKSHOPS. WHAT AGE/GRADE STUDENTS ARE THEY FOR?

You may notice that we don't have ages or grades listed on our workshops. That's intentional. We know homeschoolers, and we know that grade levels and ages don't always match up. All of our current workshops were designed for junior high and high school level students in mind. That said, you know your student best. If you have a younger student who is interested in attending, please feel free to reach out and let us know that they would like to give it a try. We'll be happy to help make their experience a good one.

3

WHAT ABOUT YOUNGER STUDENTS? DO YOU HAVE ANY PROGRAMS FOR THEM?

Currently we offer an open gym at the AU Rec Center for ages ten and up, and our Art Classes are appropriate for all students who have a good grasp on writing. Stay tuned for our summer offerings which will feature some workshops and classes aimed at students working at a 3rd-6th grade level.

4

HOW DOES TUTORING WORK? WHAT SUBJECTS ARE COVERED?

We will pair your student with a college student who will offer tutoring in the HCLC building at a time convenient to both you and the tutor. Most high school subjects are offered for tutoring. Please email or call to inquire about specifics.

5

IS THERE A COST TO THE WORKSHOPS OR TUTORING? HOW DO I SIGN UP FOR A WORKSHOP OR EVENT?

There is no charge for access, workshops, tutoring or materials. To sign up please email or call 419-207-6290

6

WHERE IS THE HOMESCHOOL AND CLASSICAL LEARNING CENTER LOCATED? WHEN IS IT OPEN?

The HCLC is located in the old Vines building at the corner of College Avenue and Claremont. The address is 530 College Ave., Ashland.
